Last Chance to "engage" in the Sacrament of Marriage Sunday, March 13th at 5:30—7:30 pm

Monday's Gathering was: fun, nice, inspiring, welcoming, thoughtful, informative, interesting, peaceful, hopeful and healing

What people are saying about LIFT:
I will work harder for my family.
I liked the group discussions best
I learned what makes a good marriage great
I liked the pictures best
I will refocus on marriage on a daily basis
I liked sharing our experiences
I learned what marriage should be
I wish I had done some things differently
Learning how traditions were formed and how they apply today

I am inspired to:
- ◊ Set a better example
- ◊ Think about ways to strengthen my marriage commitment
- ◊ Be more Christ-like
- ◊ Listen
- ◊ Live my entire life with my husband
- ◊ Strive to keep Christ at the center of our marriage
- ◊ Learn about my own marriage

Come and join us at our LIFT Gathering as we Live In Faith Together

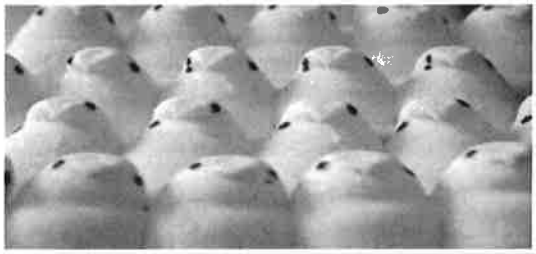
Keep those bunnies, candy, baskets and eggs coming!

Easter Basket assembly will be in the Holy Spirit Gym on Palm Sunday, March 20th, after the 8:30 Mass.

Thanks to all the "peeps" who are bringing donations and will help assemble the hundreds of baskets. Donations are due to the Parish Center by March 18th.



Thank you to **Rocco Acquilano** who is stepping down from the Parish Pastoral Council after more than 20 years of service. Rocco was one of the founding members of the Social Concerns Ministry (today's Social Action Committee). Rocco has been instrumental in advocating for the poor.

Shirley Hirt is celebrating her 80th birthday on Saturday. Shirley has been active in our Faith Formation ministries for decades. She serves as part of our LIFT hospitality and kitchen ministries today as well as being a part of our Funeral Support Ministry, Altar Rosary Society and the Sister's Prayer Group.

Many thanks to Shirley and Rocco for sharing their many talents and enriching our Holy Spirit Community.

Congratulations to the Holy Spirit School's Odyssey of the Mind Team. They will be competing at the State level. Great Job!
